

-Saint Mark School-
Auction 2010

ECO CHIC

Dear Sir/Madam:

We are very pleased to announce the 16th Annual Saint Mark School Live and Silent Auction, benefiting the children of Saint Mark School! This year's auction, taking place on Saturday, March 6, 2010 will be held at the luxurious Marriott LAX Hotel. Our ECO CHIC theme is inspired by the faculty and student body of Saint Mark School. From an eco-friendly yearbook to the Student Council's *Recycling for Spirit Points* program, Saint Mark has been doing their best to "green up" our school! So, from eco-friendly invites, printing materials, and class projects, to re-plantable, low water-usage centerpieces, every effort will be made to reduce the carbon footprint of our auction!

At Saint Mark School it is our mission to support the formation of excellent and compassionate students who share their gifts and Catholic Christian values, and truly make a difference in the world. **The success of our annual auction is critical to the vitality and growth of SMS, and to our service to the children and the future.**

We invite you to become partners in the mission of Saint Mark School by supporting our 2010 Auction through financial sponsorship, item, or service donation. As a benefactor of SMS, you will be directly supporting excellence in Catholic Christian education while enjoying professional visibility to over 300 guests, including prominent business executives and entertainment personalities. Your name will appear on our official program, and a full description of your donation will be published in our auction catalog and on our SMS Auction website (www.stmarkschool.com), accessed by hundreds more individuals and organizations. Complimentary event tickets are provided to our Silver, Gold, and Platinum Corporate Sponsors.

Please complete and return the enclosed donation form as soon as possible! Our catalog deadline is February 19, 2010. We are asking that you also enclose any pictures or brochures to help us better market your donation and business at the auction. For more information, please email us at www.auction@stmarkschool.com.

Your help is greatly needed and deeply appreciated!

Sincerely,

Father Michael Rocha
